17	Heidi Goodson	134	1										1									
Only Thursday night races are scored (Masters-only, Grind, State time-trial and match sprint races aren't counted).																						
The top six finishers in each race will earn TROY points, but there are field size requirements:																						
- Half the field will score points up to a maximum of six places (if 8 racers, 4 points for first, 3 for 2nd, 2 for 3rd and 1 for 4th).																						
- If the field size is an odd number, the race will be treated as if there is one more person racing.																						
- In Madison races, field size requirements also apply. Each rider from a placing team will earn points.																						
Each racer's best 30 scores will be included (there are about 45-50 races in each category each year depending on rainouts).																						
Cat 3 and Cat 4 men will have their upgrade points tracked instead of being included in TROY.																						
Cat 3 riders (men) can earn TROY points if they score points in a Cat 1/2/3 race.																						
If needed at season end, a tie-breaker will be based on placing in State Championship events held on Thursday nights.
